

## PRESENTERS

**Donna Willey** As a lay pastor, Donna meets people everyday who long to do ministry in their homes, their church and their world but find themselves Empty, with only a few morsels to give. With broken dreams and misplaced faith, they often shake their fist in the face of God and beg to know why. With the tragic loss of two children and loosing the chance to grow a family, Donna has experienced the Empty seasons life often brings yet she lives in an indescribable Fullness!

Your Empty season may be an empty bank account, empty nursery, empty bedroom, empty nest or empty self worth. Things can change. Everything can change. Donna's life motto *"We don't have to settle for a small stream when God offers us a flood"* will challenge you into a deeper walk with our Creator and Re-Creator.

**Lisa Sawvel** understands the effects that compromise can have on a life; she wears the scars that poor choices often bring. Lisa is a post-abortion facilitator at the local Pregnancy Care Center, helping women find freedom in Christ through His forgiveness and restoration. Lisa and her husband Don are directors of the UNcompromised program through the MI conference of SDA. UNcompromised

is a program that train men and women, young and old, in their choices of purity in Christ. Lisa passionately confirms, with each conversation, that no matter what choices a person has made, or how empty one may be, our Creator stands ready to re-create us at the well where Fullness awaits!

**Nicole Moore** is a 23-year-old registered nurse working in a Critical Care unit at a hospital in the suburbs of Chicago. Nicole has been Filled at the Prayer Altar where she laid down every aspect of her life to be a living testament of the goodness and perfect love of Jesus Christ. Believing His presence and willingness to work miracles in her life, she traded dating for courting and chose purity over persuasion. Nicole believes real fulfillment in life is found at the Altar of Prayer before the marriage altar. Her commitment will inspire all.
